

LIVE FREE IN THE SPIRIT

HT Leaders:

What a glorious time with the Lord in the book of Galatians: I am deeply moved by the contrast of those **imprisoned by the law** and those who chose to **live freely**. (Prisoners of sin vs. Free in the Spirit.) It is so easy to be distracted and taken off course by the **MECHANICS** of life: the details of life. These mechanics cause us to drift off and become man-centered, without the power of God!

Gal. 5:1

Stand fast, therefore, in the liberty by which Christ has made us free, and do not be entangled again with the yoke of bondage.

It is easy to get caught up with the entanglements of life and the enemy uses man's earthly responsibilities to distract us. We are sons of God, heirs, victors; we have no excuse for being distracted. We are to **live by faith** (3:11), not consumed by distractions; because we have been crucified with Christ (2:26).

Our faith is to be like the **point of a spear: pushing through the distraction (mechanics of life)**. If we operate in this faith, the distraction will fall away from consuming our thought life and we will have **victory by walking in the Spirit**. The tasks will be accomplished with far more ease—He will show us the way, by faith. This is the **daily battle** we face: consumed by the tasks or pushing through them by the faith and power of God, focused on Him, giving Him praise. We need one another; to encourage one another daily, to make sure we pierce through all the distractions and **walk in our purpose, living by the Spirit, experiencing the Fruit of the Spirit**. In this freedom, living this blessed life, (no matter the personal attack); we will **go on and fulfill what God has for us to do!** Heart Transformation is a vehicle to bring forth Revival, in us and through us. We touch people's lives with the hand of God, daily! Do not hold back from this. We are shepherds, and our whole flock is depending on us to live and demonstrate this freedom message to them, so they do not lose heart, and personally choose to follow our leadership.

There is no room for doubt. If doubting, gain counsel from a fellow HT sojourner. If no counsel, go on and do what He is calling us to do! The enemy will make us feel like we are alone in doing God's will and try to ensnare us with more doubt. Do not listen to these entanglements; **go on with the confidence of God**. In a year, you will be able to write your own Psalm of how you & God worked together to conquer: people will be saved, marriages transformed, potential orphans will have homes, prosperity will be encouraged; all because you are **living by faith in the Spirit**.

We are **God's mighty men and women**. He is depending on us to do His will. We get to live this; we have been chosen. Do not let this opportunity slip by. As a shepherd, your sheep need your leadership, so they can live free. Your community needs your leadership, your role model, so Christ's righteousness can reign in your community. YOU ARE VITAL TO GOD'S PLAN. Now is the time to walk in His love, with His power and direction.

We will send a weekly Leadership Message to encourage you as God encourages us.
