HEART TRANSFORMATION UPDATE

6-2-21

Currently: HT has Training Centers in these Regions: **Ghana, Togo, Nigeria, Uganda, Kenya, Cameroon, South Africa, Benin...**

- Pastors are experiencing Transformation of their hearts: marriage, family life, free of bondages: anger, fear, guilt, bitterness, unforgiveness...soul ties!
- Pastors are set free from wrong beliefs, addictions, sin patterns, occult influences, generational sin...

We are working with Pastors from **1,500 different Churches** so that each Pastor moves into being **Saturated with the Presence of God/Revival** and training them to **lead their Churches** into Revival. They are experiencing an **overflow of love, joy, peace, hope, thankfulness, and the power of God**; in them and through them!

Hundreds, at times thousands, are being **set free** from their bondages, weekly! Communities are being transformed. Churches are being strengthened and built up. A passion for God Himself is being released. So many are experiencing the joy of the Lord, we struggle to keep up!

We estimate **3,000 new believers** every year-this is what God is doing! A **new freedom** is being experienced and shared with those around them. The people love the HT Training.

The **glory of the Lord is being seen in people's lives** and the Lord is being glorified.
