OUR FUNDS ARE DEPLETED...Shipping the SOTC
Study books, HT Brochures, Gospel Road Brochures,

and Empowered Living Books to these African Nations was costly: \$7,000 owed to our India Printer.

We need \$2,100 to repay Pastor Dusu for his travel expenses visiting and establishing Training Centers throughout Ghana, Togo, and being our communicator and Director throughout the Central Africa work in February.

Just a reminder: no one receives any salary for their work supporting this Move of God! EVERYONE IS VOLUNTEER, including us! PLEASE CONSIDER ALL GOD IS DOING IN CENTRAL AND EAST AFRICA!!
