

## CROSS RIVER AMBASSADOR WORKSHOP

**GOD'S POWER & PRESENCE HAS BEEN IGNITED IN CROSS RIVER STATE through the HT Conference and Ambassador Workshop!** There is excitement as Keith presented being **Saturated with the Presence of God** as essential to **oneness** with Him and oneness as a community. This work will go on long after Keith has returned home: Pastor Fresh is well trained and totally competent having participated so completely with Keith. The Ambassadors will continue the work supporting their local Training Centers with HT knowledge & competence.

Each Ambassador is given an **Ambassador Training Tools Manual** and a **CLUTCHING CROSS**. Keith explained that to hang on to Jesus and be directed by Him in everything, bringing God's Kingdom Purposes to fruition. **Each Ambassador is then prayed over and commissioned to the work of God for their area.**

**Pastor Fresh** is so pleased with how Keith presented the principles of God and finished the Conferences with personal commitment! He has observed,

absorbed and is **ready to continue this Movement of God throughout Nigeria!**

God's Presence and His Scriptures have come alive to these Ambassadors. They are **prepared and armed** to share this Movement of God throughout their areas.
