## **CROSS RIVER HT CONFERENCE in CALABAR**

- Packs the House. "God is pouring into them in the ongoing Kingdom Life Conference! The fields had been prepared by Pastor Fresh months ago and are now ready for seeds of deeper relationship & freedom in Christ to be planted...thus bearing unimaginable fruit!

The Ambassador Training took place today, Thursday, Mar. 10th. CHANGED LIVES will happen due to those well prepared through the Ambassador Workshop and 35 page Ambassador booklet that they received.

Keith's health is better, thanks for praying! He is fatigued but taking opportunity when available to rest. Pastor Fresh and Ngozi Fresh are treating very lovingly. Ngozi sees that he eats well!

We explained that **Karen** needed to remain home to take care of HT responsibilities, but that she was **right with us heart, mind and soul!** We unrolled the full-size poster of Karen. They clapped at our "oneness"!

The true to size poster represents Karen's presence with them.

PRAISE & WORSHIP are a big part of the HT Conferences...Africans are not shy about praising God!
