BENIN:

There are so many testimonies that people's **lives have been transformed** by way of going through the LOCAL TRAINING CENTER meetings and applying the principles from the HT SOTC book. **God has touched and transformed lives** as follows:

1. **Pastors' and Leaders' lives are transformed** by the teachings from the SOTC messages in the Training Centers.
2. **Marriages gain new strength** to love each other as husband and wife through HT.
3. **Families are overwhelmed with joy** because God has brought HT to an end to sadness and sorrow in so many lives. Praise the Lord.

4. **Churches** are **catching the Revival Fire of God** through HT
 5. Some of them are moving from cohabitation and **getting into fruitful marriages**—hallelujah!
 6. **Anger and bitterness are disappearing** stage by stage and so on.
- “My joy is that Jesus is at work seriously, and I can see the wave of His mighty work coming so strongly.”***

Apostle Peter of Benin took **11 boxes of the SOTC in French**, and he promised to **open 180 training centers before the end of 2022**. As of now, we have 20 HT training centers open and Peter is still moving around, planting more branches.

I am also pleased to inform you that Peter (our HT Leader) **began English school in early May 2022**, and he is doing well.

GHANA - THE PLANTING OF HT TRAINING CENTRES: 61 new Training Centers were established. VISITED REGIONS: OTI, KEJEBI, AFRAM PLAINS, TAKORADI, CAPE COAST, KASOA

We embarked on our journey April 30, 2022 and ended on June 19th, 2022. It's possible **we hit more than the targeted Training Centers** as the Lord led. We give praise to God. Although it was **tough in some remote areas**, the Lord saw us through all the journey. Hallelujah!

In the **Oti Region**, we worked with the pastors one-on-one. From there, we established training centers there with them. We were so excited about how some of the people received us, and it was so marvelous. However, many were saying that this was the **right time for this network to come to their communities and beyond**.

A woman of God also made this confession to the Lord on behalf of HT: *"Lord, I'm nothing and can do nothing good without you." Please, help me to always lean on you & trust. And I love you with all my heart. Help me to consider You first in all I do in Jesus' name, Amen.*

The leaders were very happy because they said we didn't exclude them from HT but remembered them and **came to establish the HT TC's in their communities**. Meanwhile, they prayed for us and for the entire family of HT WORLDWIDE.

In **Takoradi**, we had a nice time with almost all of the pastors and leaders, and we got branches from about nine, and our joy is that we are able to plant Training Centers there. Pastor Joe from Nigeria, based in Takoradi with his family and the church, has started HT there in Takoradi. We had so many great testimonies, which I was amazed at myself, because we are just new in town and the people were just excited about the good news of what the Lord is doing through HT in and across the globe. **Testimonies:**

1. One pastor said, *"I have the problem of anger, but today as I confess it, I release it and declare it to flee. I command whatever spirit is responsible for it in my life to flee in the mighty & excellent name of Jesus Christ, Amen"*

2. I am **full of pride** in my heart as well as in my flesh, but thank God today, after talking to me about the word "transformation", I am a **changed person**. Hallelujah.

3. Another man of God also took the SOTC to his church, and now the **whole church is involved** in using the SOTC as their study material. He also uses that book for **training his leaders in his church**, Praise the Lord.

4. Fortunately, some that have not been on talking terms for many years now are **reconciled** with one another. Praise the Lord.

5. One man of God also made this striking confession: after talking to him about what God was doing in his life through the SOTC, he shouted: "Amen. Oh God! **Help me to live out the fruit of the Spirit**, subduing the flesh and all its desires and letting the Spirit **take the lead in me** in Jesus' Name, Amen". However, he shouted again and said, "Thank you Father for bringing HT into Takoradi and Cape Coast. Yes, yes, yes."

6. In **Afram Plains**, we met another powerful man of God who after receiving the vision with joy, said he was **so passionate for the things above, yearning for the very presence of God to fill his heart**. "May all that he desires for me reach me in the name of Jesus Christ, Amen." I always want and desire the best in words and in action, especially when it concerns me and or the Word of God. One thing I have learnt is to do anything I agree to do with all my heart, and that one thing I would not do with all my heart. I would rather not get into doing it at all. For I cannot deceive or lie to myself; if I do, my conscience will not be at ease, and God will not be mocked, because **whatever a man sows, he will also reap**. So, I believe when I do anything good-heartedly, first I will be happy and grateful for my heart and conscience will be satisfied and good reward will follow at the set time. "**Father, I commit my heart and ways to you**. Help me to do everything good heartily in the excellent name of Jesus Christ. Amen"

7. However, in **Cape Coast**, we met so many pastors and leaders, and it was a great encounter with them, and the testimonies about the SOTC were so great and splendid. Moreover, Apostle Samuel Ato Kwabina also had HT established in his church. OTI REGION

Our leaders **desire to continue their visits** throughout their countries, **establishing Training Centers** with SOTC BOOKS. Funds have run out and we can no longer assist in their travel costs, therefore, **they cannot go**. THANK YOU to those of you who have responded with your SACRIFICIAL GIVING. We pray the Lord stirs more. It is so difficult not to be able to RESPOND TO THE NEEDS and their desire to understand PERSONAL RELATIONSHIP with the Lord and HIS DESIRE TO TRANSFORM them and their circumstances through HIS VERY PRESENCE!
