## **NIGERIA '23 AT A GLANCE: Report from Pastor Fresh**

Currently HT is carrying out **Grass-root Missionary Impactful Works** in **20 States in Nigeria** and still counting.

HT Nigeria currently has **507 active Training Centers** and it goes beyond denominations because our **membership is drawn from over 1000 church denominations.**

**Our commitment is to hit 2000 Training Centers this year 2023.**

**LOOK AT WHAT GOD IS ABOUT TO DO!**

**Pastor Fresh's PLAN:** (Keith has been mentoring Pastor Fresh by phone in **SOTC** (In Christ, The School of Transforming Community): weekly. As you can see below, the time has been very fruitful! Praise God!)

1. Currently in HT Nigeria..we have **113 known and addressed HT Ambassadors Appointed** by the International President when he visited Nigeria in March 2022. I have prayerfully decided to draw in these Ambassadors in our day to day running & growth of HT NIGERIA.

Henceforth i will have **intensive training online** and on site with all the ambassadors schooling them on **MASTERY OF SOTC** and give them the mandate to **plant 5 training centers each** and become an **area leader** to the Chapters.

After the training, **planting and nurturing the training centers** will be one of the **CONDITIONS** of qualifying and remaining an ambassador.

2. I will also **travel on missionary assignment to states that don't have HT** or that have not heard of HT. This will **create awareness** and we will **begin HT training centers** there.

3. Having **regular and steady prayers** with State Coordinators, acting State Coordinators and State Leaders, while studying SOTC with them and also rubbing minds together online.

4. Raising a **National Joint Leadership Board** comprised of one person from each Region in Nigeria... South South, South East, North and Southwest. These people will be known as **Regional Directors HT NIGERIA**.

**GOD IS ON THE MOVE IN NIGERIA... enable them to respond to ALL GOD WANTS TO DO IN & FOR THEM!!**

#### **UGANDA - TANZANIA UPDATE:**

Our East African Director, Bishop John Ssali, will be going to do **Phase 2 Training** for Pastors in **Tanzania**. This is a great celebration. We have not been able to afford doing this follow-up training: training of HT and establishing numerous Training Centers in Tanzania. **PLEASE PRAY:** this training takes place **January 22-26th!**

We have many more projects that **need your funding gifts to go forward.**

**PLEASE GIVE!!**
