Nigeria Testifies to GOD'S POWER being ALIVE & POWERFULLY WORKING:

NIGERIAN TESTIMONY after the Pastor Conferences

Deacon Amos Okwe of HT Nasarawa State (HT Mararaba 4 TRAINING CENTER):

“I used to struggle with **bitterness of the heart and unforgiveness**, before I joined HT! I am the type that can keep malice with my wife even for months: the two of us still living in the same house but not talking to one another. Sometimes I even extended the grudges and malice to my children. But after the HT Training Center Meetings, and studying SOTC, I am now a changed person. My wife is seeing the changes in me and has become an Ambassador of HT: sharing the gospel of HT with anyone she meets. She helps teach in the HT Meetings. We, together, have planted & inaugurated 7 new Training Centers in Mararaba area of Nasarawa State. We are both Area Leaders. Our lives have changed: we are flowing in the joy of the Holy Spirit. We feel Saturated with the Presence of God. Oh yes, this transformation has also affected our material life: since we started living in peace, our finances have drastically changed; we made budgets and plan together. We are grateful to God!

One more thing: Pastor Keith & Karen Peterson: two of you staying together for fifty (50) years is also an inspiration to us. We have been married for 11 years, hoping to share the same testimony of the next 39 years. Thanks to God for the inspiration of SOTC!!

Pastor Fresh sharing **Freedom in Christ HT Principles** at the Pastor Conference in Nasarawa State, Nigeria!

Matt. 6:33

Seek the Kingdom of God above all else, and live righteously, and He will give you everything you need.

Pastor Fresh and Ngozi (to Fresh's right) - NIGERIA Pastor Conferences
