FAMILY TRANSFORMATION TESTIMONY

My name is **Evangelist Luke Ukachukwu** I am a **minister** with The Apostolic Church and currently the **Chairman of HT Training Center- Obinze** in **Imo State**. I was introduced to HT by our Church General Superintendent; he also gave us the School of Transforming Community booklet and **shared the HT Vision** with us during our synod. I started going through the book, and I sincerely confess, that **I have not come across a gospel teaching manual like this**, especially in helping me to **understand the teaching on the Holy Spirit**.

Let me share my story and testimony. I am 51 years old, married with 6 children. When I was a teenager, I had an issue with my elder sister. As a growing boy I took her money, without her consent, and squandered it. She had me arrested. After our parents' intervention, I was released. But from that time on, I was not on talking terms with her (my elder sister). This silence continued until I got born again. We lost contact and we didn't check on each other, even when our mother died. We prepared for the burial differently. That is to show you how deep the malice was. But when I started coming to HT meetings, even before I started a HT Training Center at Obinze, I began to have a **change of heart**. I started **repenting of my hard heart**. The Holy Spirit started to convince me to **call my elder sister and make peace with her**. It wasn't easy for me at the beginning, but after some time, I made up my mind to **obey** the Holy Spirit. I took the bold step & called her; and also visited her family at Ogun State. Her children are all grown up and yet none of them knew me as their uncle. None of my children relate to her. But now there is peace in our family. Everyone is happy. I want to thank God for SOTC.... for HT Worldwide and the HT Leadership & HT Board and especially all the HT DONORS, **who made this all possible**, and I thank the Holy Spirit for directing me.

We thank the Lord for this **miraculous, effectual & efficient ministry!**

This is a Move of God. His power is evident to all.

WE THANK YOU for your **GIFTS & PRAYERS**. Letters & stories like these are numerous from Nigeria and Uganda. Other **Countries are crying out for HT to come** and teach them about how **God's power can transform them and their families**. **Your gifts have made all this possible!** We'll meet those lovely faces in Glory, someday!!!
