TESTIMONIES FROM NIGERIA!

God is working so powerfully, beyond our expectations or hopes! We hope to send you several testimonies in the next week: short, simple, but oh so encouraging as to what God is doing...

LAGOS NIGERIA: it was very hard ground. Keith had advised Pastor Fresh: "We are hitting a wall in Lagos (large city). Don't focus widely, focus your energies & prayer singularly, in one area and proceed to deepen the work there! He did and we are regularly receiving testimonies of the miraculous work God is doing in the hearts & lives of people.

THIS IS WHAT GOD IS DOING IN EBONYI STATE, NIGERIA:

HEART TRANSFORMATION Is holding a Training Center Meeting in Abakaliki Zone, Ebonyi State!

BEGINING WITH THE PRESENCE OF GOD...

This **Transformation by the Power of God** is changing lives!

A testimony from LAGOS ISLAND, NIGERIA:

My name is Oluchi Ede.. I'm a member of HT Training Center, Ketu Lagos. Prior to joining HT in the year 2022, I had a serious problem of anger. I am always angry... Full of bitterness. I remember a day in 2017: I had an argument with my brother in-law and it led to a fight. I stabbed him with a pen-knife .. Thank God he didn't die, but I was kept at the police cell for almost 3 months until the guy got better. I fight easily even with men without feeling tired. I fight. I argue, a lot. I quarrel a lot. I live in bitterness and anger every time. That was my life before I was invited to the HT meeting at Ketu here in Lagos. Before this, I had stopped going to church because I felt everyone was against me and nobody was seeing life from my own angle.

But somehow, I decided to attend HT meeting after I was invited. The first thing I noticed when I entered there was a peaceful and more relaxed atmosphere. People were listening and trying to know things about you and how they can be a blessing to you. That day we studied THE BLESSING OF BEING SATURATED. At the end of the day someone gave me the gift of a book that I later on got to know as SOTC. My journey to freedom started that day because I got to know that I had found a family. As I started coming and studying with the brethren, I began to desire a walk and a relationship with the Holy Spirit. Gradually I began to grow and yield my heart to the Holy Spirit. Suddenly I noticed that I am no longer easily irritated, I begin to forgive people easily. God began to work on my relationships with people. My family are getting to love me again . God bless HT worldwide for this vision. God bless our founders and president. God bless Nigeria leadership. Amen

HT THANKS YOU for your **GIFTS & PRAYERS**. Letters & stories like these are numerous. We'll be sending more in a couple days, in order to update you!

Other Countries are crying out for HT to come and teach them about how **God's power can transform them and their families**. **Your gifts have made all this possible!** We'll meet those lovely faces in Glory, someday!!!
