The numbers from last week's Newsletter are becoming a reality. More than **90 people** came for the **Nigerian Ambassador Training last week**. They have expressed that they loved the **Hope and Vision** HT presented.

The electronics worked great, using the WhatsApp Network and did video to meet them and be introduced, then just used the sound. We were able to speak directly to them live and they to us. They needed to use a laptop because the TV wouldn't receive the projection, but it was sufficient. The attendees were very happy and felt it was the best meeting HT ever had with them!

TESTIMONIES:

1. "I had come to the point as a Pastor that I couldn't study & stay close to God. I was full of anxiety. I was stuffed(stuck), when I engaged in HT's SOTC. Suddenly the doors with God opened and I could converse with God & study. I now have great joy."

2. "I have gone so far since HT came to Ebonyi State. We had many programs in 2007 & 2013, but HT has surpassed all other initiatives. The power God has brought has shook me a lot as a missionary man to my culture. There was a man who went on 2-3 day binges drinking; he had become areal embarrassment. His wife invited my wife into their home to study SOTC together. Because of this, this man has stopped his drinking. Praise God."

3. "I am from River State. What I enjoy is that HT asks you a question about "what you are thinking", instead of just giving answers. You are not just seeing things with the mind; it touches the realities of your life and how you can run correctly. The assignments teach you how to apply what you study in God's Word—that's the difference!

4. "I am a woman who used to read my bible every day and every hour. I got spiritually lost. Since HT attendance and SOTC, my husband can testify as well as my children to the change, it is a work of God! Even my neighbors will testify how alive I am in God; I am His child!"

5. "I give much thank you for the awesome HT Conference. I live in Abia State. It has greatly affected my life to live for God only."

6. "This has been a great Conference, very eye-opening. It has been of value to every one of us! May grace and strength be poured out on HT-USA and all the USA donors who made this possible."

HT Ambassador Conference shared:

- **HT MINISTRY MODEL**: a diagram and flowchart of how the Ministry works so the Ambassadors could understand the whole HT picture and were enabled to explain it to others.

- **HT THEME** was "**BE IGNITED**" as in the **Acts** of the Apostles, since we expect that God will use each Ambassador, just as He did the Apostles. Jesus encouraged this:

John 14:12 *“Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father.*”

Each Ambassador received a 54-page **Ambassador Presentation & Operation Tools** booklet which had been updated and additions made to give a more complete perspective and expectation.

FEEDBACK has been excellent. Keith was speaking to Pastor Fresh on Monday and during that short conversation, 2 future Ambassador/State Leaders interrupted their time. Pastor Fresh stated “This has been a regular occurrence! The phone is ringing off the wall with people so pleased, wanting to become Master Ambassadors.”

HT CHALLENGE: As Master Ambassadors are established, HT can multiply the number of **PASTOR CONFERENCES**. We pray the Lord would **help us fund** these additional Conferences and the **SOTC books** that must be printed!

2 Cor. 5:20 ***Now then, we are ambassadors for Christ, as though God were pleading through us:*** we implore you on Christ’s behalf, be reconciled to God.

We need your additional prayers, gifts and support.
