Heart Transformation Int'l (HTI)

YOUR PRAYERS & SUPPORT are reaping great reward:

UGANDA:

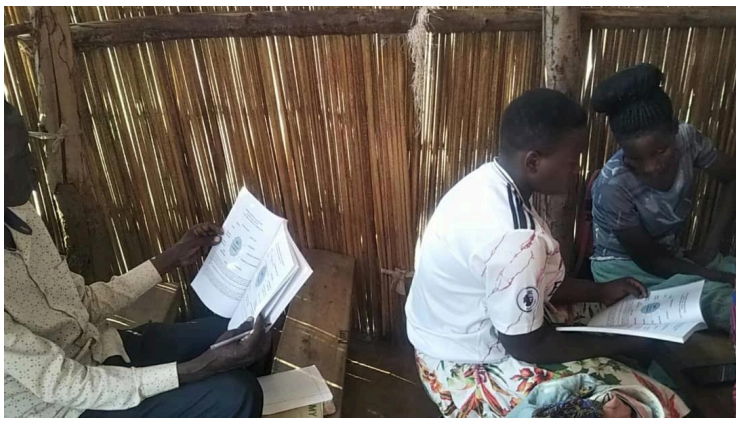

Printing Presses and Binding Equipment are running! Praise You Lord! We have **reduced the cost of the HTI SOTC books by more than 1/2** in East Africa**!**

AMBASSADOR IMPACT: HTI is growing in numbers and especially in spiritual growth and depth!

UGANDAN PASTORS SATURATED WITH GOD'S PRESENCE see their families greatly affected

UGANDA is crying out to do Pastor Conferences in Tanzania. They are willing to go, making plans, but we have no funds to send them.

TESTIMONIES:

TESTIMONIES FROM **IMO STATE, NIGERIA**.

My name is Rev. Dr. Gideon Ndimaraonye, I happened to be the zonal leader for Nekede Zone of HTI and the Chairman of Ekpelu training center.

My testimony goes like this.... I will like to say that my **life actually changed** and my **understanding about the Holy Spirit become clearer and better.**.. I received **joy and peace in my heart**, because formerly I used to be tensed about every situation and I **used to be bitter about life issues**. My wife was not also enjoying our marriage because of constant quarrel but **today everything has changed**.

Another thing is that I was very sick early this year and my **leg was swollen** but during the Ambassadors retreat earlier this year, I was **prayed for and my health was restored.** I sincerely thank the Lord for HTI vision and I also thank the Lord for our SOTC studies meeting. It's always awesome. God bless HTI for this vision. Amen.

HTI has done **7 Pastor Conferences** in **Nigeria** so far…and **7 Ambassador Trainings** in Nigeria. (**28 scheduled HTI Conferences** throughout the summer.) Each Conference is scheduled in a different Nigerian State. Pastor Fresh is leading each one. The whole group will participate in doing and sharing a SOTC Lesson at each Conference. Keith & Karen will speak live at each Conference, doing a 1 hour teaching Presentation, depending on reliability of the internet.)

People come from far away, from other States. They usually travel on public transportation like Mini-Buses. BUT THEY GET THERE and give testimony to all the HTI Conferences mean to them!

NIGERIA AMBASSADOR TRAINING:

Through modern technology: Keith & Karen have a live encounter speaking & praying over the attendees through WhatsApp video. We are able to speak to New Pastor Conferences and to Ambassador Trainings. Attendees are able to share testimonies of how God has spoken to them and their vision for taking being Saturated with the Presence of God to their regions…and beyond!

RIVER STATE - NIGERIA TESTIMONIES: 6/17/24

Young Male Pastor: I now see that I must live in line with the Word of God. As a child of God, with the Spirit of God within me, I depend on His Word and will establish a Community Training Center in my Church. (Keith was able to speak directly to him: encouraging him that he is a new person, will receive new ideas from God and full of His power.) We prayed over him and launched him out in the winning of souls. He responded that by the power of God, he will win millions for Christ.

Joyce Salome: I have the joy of the Lord in me as I have experienced in this Conference today. I am lifted, happy, a child of Christ. This is my first time attending and I am now a member of HTI! I will establish a HTI Community Training Center in my place. By God's grace, she responded, I will evangelize thousands.

Solomon: This is my first time at a HTI Conference. I feel more of the glory of God upon me. I am impacted by the Holy Spirit—healed. I know now that I can't do anything without being full of God's Holy Spirit. I am positioned to evangelize all over the world. The Fire of God is going to grow.

Pastor Felice: This is my first time at a HTI Pastor Conference. I now understand the infilling of the Holy Spirit. I will depend on being guided by the spiritual insights from God's Word and His Holy Spirit to take this Saturation of the Presence of God outside these walls.

Pastor Kenneth: I am a first time attendee. This impartation of HTI has transformed my heart by understanding the importance of the Holy Spirit. God will transform lives. I will follow now with the knowledge I've learned. I have a torch to light with respect to Heart Transformation.
