**HTI is seeing the REALITY OF JESUS' DISCIPLE MULTIPLICATION!**

At the end of 2024: **HTI** had a total of **10,096 MEMBER CHURCHES. PRAISE GOD!**

**These churches are dedicated to being developed for ONGOING DISCIPLE BUILDING for YEARS!** These Pastors & their CHURCHES have been **ignited. They believe that as a result of being DISCIPLING HTI CHURCHES** (Churches on fire for God), they will see incredible fruitfulness as they pursue Him. Their **GOAL**, that **EVERY MEMBER** will share Christ and lead **1 person to Christ every 5 years.**

They feel this is an unassuming, small goal.

If there are **50+ members per church**, each sharing their testimony of what God has done, and every 5 years leading someone to Christ; we can assume that **10 believers per church** will be **saved each year.** This is **their expectation throughout all HTI countries!**

**10 believers saved/church/year x 10,096 HTI Churches = 100,960 SAVED/YEAR**

Let's be cautious and estimate only 50% are saved & become His Disciples = **50,480 SAVED & TRAINED in Discipleship, THIS YEAR, 2025!** Are you willing to put a price on that? Where else can you go to see this kind of Kingdom Fruit! **They are willing to go.** They want to go, they have seen being Christ's Disciple transform their lives. They are willing to share with anyone and everyone! **Will we enable them to GO beyond their own family, to the outer most?**
