Heart Transformation Int'l (HTI)

3/5/25

PERSECUTION IS REAL against HTI: Many of you have asked about the level of persecution HTI members face in Africa. Up to this point, it has been minimal, and the Presence of the Lord has spread like a wildfire across 5 nations and igniting in so many others through participants in the Pastor Conferences taking it to their home nations!

**SHOCKING EVENT in UGANDA - PASTOR MICHAEL'S PERSECUTION**

Pastor Michael, Eastern Central UGANDA near Lake Victoria, took HTI to his home area and was being **very fruitful** in seeing **many Muslims being converted to faith in Christ** and the **power of the Presence of God in their lives.**

Last Sunday night, he and his family (including his parents) were soundly sleeping when a group of Muslims set his **whole house on fire**. The intent was to kill Pastor Michael's whole family and burn down his house because of the **fruitfulness in local people's lives**. Mercifully, they escaped but

suffered burns, especially the parents. They are being treated and progressing, the Church is caring for them. Pastor Michael **lost his home and all contained therein**, but their lives were spared. Pastor Michael reports that this was a **DIRECT ATTACK** against HTI in their area. The result in the area is a **peaked awareness of HTI's presence**. This shocking event has presented **huge opportunity to flood people's lives with the truth of the gospel**.

HTI has responded and needs to **continue to respond** to this precious **family's needs**. PLEASE KEEP PASTOR MICHAEL in your **PRAYERS**. Are you able to **join us in a special offering?**
