

THE COLORADO CHRISTIAN BUSINESS ALLIANCE

12/13/24

Note from the Heart Transformation Int'l Treasurer:

Christmas greetings. I highly recommend you support or increase support for HT. Here's why!

My wife and I have been supporting HT for about eight years. We have supported more than 30 non-profit organizations over the years. Additionally, I have vetted and been on the Board of Directors/Trustees of several Christian churches, organizations and a university. I have also performed a Certified Audit on a National church headquarters.

However, I have never experienced anything even close to the Spirit led growth and impact that HT is having in Africa. Please carefully consider financially supporting their enormous growth that is certain to occur in 2025.

Thank you for your consideration.
