NIGERIA TESTIMONIES:

ANAMBA STATE:

Rev. God's Power: I now have a deeper commitment to the cause of Christ. I do tasks that are right in the sight of the Lord & take time to think things over, including fruitfulness. All this is due to HTI coming! I accept the challenge of being a HTI Ambassador and will give messages just like Pastor Keith does. Pray for open doors for me to impact the world! My mission is to change the attitudes & motives of men's hearts!

Pastor Emmanuel:

27 years a Pastor. I have experienced a reviving in what the enemy has tried to destroy and am returning to Bible Study & being His Disciple! God is doing something good in us to restore heart sight - what's right in God's eyes: Heart Transformation! I will gather people, the fellowship of the brethren and beginning a bible study on the Heart of Man!!

Apostle Dr.:

I minister to 11 Churches. I am an Itinerant Pastor & I start Churches. I now understand that it is not by power or by might but **by Him!** We must adopt the attitude that CHALLENGES ARE NOTHING! The Lord has empowered us to do the work and we will be 1,000 times more fruitful!

His promises—opposition comes—there is a cost—**SACRIFICE COST ACTUALLY MULTIPLIES THE FRUIT!!**

Rev. Matthew Aboga:

I am a pastor for 22 years. I am new to HTI! I'll be changing alot: to become completely Saturated with the Holy Spirit! This Transformation I have experienced is a very strong Move of God! Thank you.
