### LIFE CHANGE TESTIMONIES:

**Pastor Samson, Idema State:** I have been a Pastor for 26 years. I am new to HTI. There is a wave of Revival coming. We must get ready, the time of Revival is near! God has strengthened me today through HTI's messages. I feel that HTI is helping us prepare for His Revival and I am personally very excited and committed to these messages.

**Rev. Emmanuel:** I have been a pastor for 22 years. Your message is truth: a Transformed Life starts with the transformation of one's own heart! This is a Global Movement established by God Himself and it begins with me! I am excited to instill the HT Vision & Mission into my Church members because I & they will experience being Saturated with the Presence of God and being Authentic Disciples. So excited!

**Prophet Anthony:** This is my 1st time at a KLC! I am now committed to remaining solid in my faith and having integrity as His disciple. He can take me where He wants me. He will empower me! I desire to carry His light to the nation and make more authentic disciples! We need this kind of support: ministers are suffering. HT will go to the villages, the common people, through us! God is our provider!

**\*\$3.00 = 1 SALVATION & 10 having Life changing Transformations:** Marriages saved, freed of addictions, freed of anger, freed of envy & jealousy, freed of abusive behavior, freed of wrong beliefs, freed of cultural behavior errors...by PERSONALLY coming to a deeper walk in the REDEEMING LOVE of Christ.
