Small Group Bible Study Discussion & Prayer for Transformation in their individual lives:

IGNITING CHURCHES THROUGH DISCIPLE DEVELOPMENT & TRAINING

The **Heart Transformation (HT)** organization has been sponsoring Kingdom Life Conferences (KLCs) for pastors in several African countries for 15 years. These conferences have ignited

numerous churches to use the HT training model in outreach and life-changing transformation. This **disciple making and building** ministry has been successful beyond our dreams. We have seen miraculous growth as the Lord multiplies our reach and resources. HT presently has **18,000 Churches engaged** in this process. There is a voracious appetite for the HT message.

SMALL GROUP BIBLE STUDY DISCUSSION & PRAYER::

Presently, 200 indigenous pastors/church leaders are attending each KLC conference, of which 150 will engage in the **HT Disciple Making & Building Training Model**. Each of these HT committed churches will meet twice per month for an in-depth, interactive **Authentic Disciple Study**, following the words of 2 Corinthians 3:18, John 14:12, & Matt 28:18,19. These Disciple Meetings go on for years.

Small Group Bible Study Discussion:

God is now leading us to take this ministry to the next level by expanding it into more African countries and perhaps beyond the continent. Based on historical data we are moved to appeal to God to grow this ministry exponentially based on the following historical data that we have collected:

Each year, **7,000 new pastors** attend our 35 KLC's, resulting in **5,250 New Churches** engaging in the **HT Discipleship Building & Training** model.

Small Group Bible Study Discussion & Prayer for Transformation in a KLC:

Each church typically experiences about 5 salvations the 1st year, 7 the 2nd year and 10 the 3rd, or a total of **22 salvations per church** over the first 3 years.

- These **22 salvations per Church over the next 3 years in 150 = 3,300 new Christians** as a result of **1 KLC**, making heaven more crowded. We now have **18,000 Churches**.

Each year the HT training in each church typically produces life-changing transformation in about 20 participants.

These 20 participants per church of new Christians x 150 churches

x 3 years would be **9,000 more mature Christians** ministering and leading others to Christ.

Small Group Discussion - Women's Group, then praying for Transformation:

The **cost** of igniting 150 churches through this three-year plan is only **\$2,000!**

- This is possible through the HT Trained Indigenous Volunteer Pastors.

Therefore: HT estimates about **3,300 new believers and 9,000 transformed lives** through these churches are possible for **only \$2,000!** We thank God.

\$2,000 can transform thousands of lives through (1) KLC.

It is our hope to do **74 KLC's in 2026** - a Kingdom Wildfire that can't be stopped!!

Become engaged in God's transformation movement in Africa – this continent is experiencing the **highest growth in Christianity!**

"You are faithful in what you are doing for the brothers, even though they are strangers to you."
3 John 1:5
