Bishop Ado: 1 Cor 3:18 is so true in my life. I am turned from human philosophies to what the world considers foolish: Pursuing Him. I will encourage more people to be a part of HT because you preach that Vision!

Apostle Thomas: This must multiply more than ever before! I have a CTC in my home with youth as a result of these Conferences.

Pastor Joseph: You have such an exciting message. I just joined HT & am walking with God daily. I have learned about having more community influence. I have a much bigger Vision now: big project! My Church now has a Community Training Center.

Pastor for 21 years: Thank you! I well understand your message & am ready to start. I am a transformed man & desire to transform my community. I want to get the Word to people's hearts, touch millions of hearts, having more opportunities.

Apostle Samuel: The Word of God is touching & purifying hearts, lighting fires and transforming attitudes! I will continue to do the will of God concerning this.

Pastor Sunday: I am 10 years a Pastor. Changed lives starts with my heart being Transformed. As my heart is renewed, getting more of Him, I can then pass all this to other people! It starts with me!

Pastor Adam St. John: I am 30 years a Pastor. I have learned that Transformation starts with me! I trust the Lord for opportunities & will then share so the Character of Christ and be in them! I will daily walk with Him and LISTEN!

Brother Stephen: I love this Discipleship Training: I will become and also share!! My heart being Transformed will lead to the Transformation of others. Empower me Lord that I might multiply disciples.

Bishop Sam: I will win souls & make Disciples, breaking the Chains of Mediocrity & Religiosity! I desire grace to disciple more, more Kingdom work.
